

Pablo Oliveira Antonino

PSAM12 Speaker Bio

Improving Consistency Checks between Safety Concepts and View Based Architecture Design

Short Statement: First Author.

BIOGRAPHY

Pablo Oliveira Antonino is Computer Scientist at the Fraunhofer Institute for Experimental Software Engineering (IESE), Germany, since 2009, working with architectures of embedded systems, mainly in the automotive, medical, and agriculture domain. He received his MSc. degree in Computer Science from the Federal University of Campina Grande, Brazil, in 2009, a Bachelor in Computer Science at the Federal University of Paraiba, in 2006, and a Technologists degree in Telecommunication Networks at the Federal Center of Technologic Education, Brazil, in 2004. He is also developing his PhD activities jointly at the Fraunhofer IESE and the University of Kaiserslautern - Germany, in the field of architectures of safety-critical systems.
