

J.P. Wang

PSAM12 Speaker Bio

A Procedure Estimating and Smoothing Earthquake Rate in a Region with the Bayesian Approach

Short Statement: First author and the speaker.

BIOGRAPHY

Dr. J.P. Wang graduated from Columbia University in 2007. Before joining the Hong Kong University of Science and Technology as faculty of Department of Civil & Environmental Engineering in 2010, he worked for a U.S. engineering consultancy specializing in probabilistic earthquake-resistant designs.

Dr. J.P. Wang now is mainly working on the probabilistic analyses on geosciences and geotechnical subjects. For more detail about his research works, please visit his homepage at <http://ihome.ust.hk/~jpwang/>
